

The Untold Truth Seminar Presents The Power of Chinese Herbology

Join us and get educated! Excellent Learning Tools

After the seminar, continue your education with the excellent learning tools you received. Our tools were created by some of the leading medical and nutritional professionals in America today. They contain cutting-edge, research-based information on each health topic and highlight natural and safe solutions for these concerns. You will receive a resource CD to help you teach others. You'll also take home a booklet, CD and brochure for each of the following four topics:

- Traditional Chinese Medicine: Eastern Remedies for Western Ailments.
- Running on Empty: Nutritional Deficiency, Disease and the Standard American Diet.
- The Diabetes Epidemic: Our Deadly Fascination with Junk Food!
- America Stressed Out: The Health Hazard You Can't Ignore.

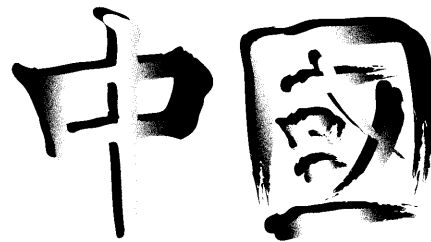

Pre-registration cost \$20, which includes all course material (valued at \$100)

Registration the day of the Seminar: \$25, No-Show fee: \$20.
